

Local Lockdown Archive

Residents of Manningtree, Mistley and Lawford!

In conjunction with Manningtree Museum and supported by Manningtree Town Council, we are aiming to build a local archive of our thoughts, feelings and experiences during the Covid-19 Lockdown for others in the future to see this strange time through our eyes. Hopefully, we'll put on an exhibition too.

How did you keep occupied? What did you miss most? Were there any silver linings? Any moments that made you smile? Have your priorities changed?

Personal accounts, anecdotes, perceptions (from one-line thoughts to complete diaries), photographs, artwork, poetry . . . anything related to this strange time is very welcome from everyone, definitely including children. Requests for anonymity will be respected. Digital copies would be preferable, but we can help with that if need be.

To submit your contributions or ask for further information, please email: MannMem@hotmail.com or call 07580 860423

Hard copy submissions can be posted to Manningtree Memories, PO Box 12651, Manningtree, CO11 9AR (Manningtree Council address).
