

**MISTLEY PARISH COUNCIL**

**STATEMENT AND CHANGE OF DETAILS OF THE  
FORTHCOMING PUBLIC MEETING IN RESPECT OF THE  
PLANNING APPLICATION FOR MISTLEY PLACE PARK  
(21/00453/FUL)**

Mistley Parish Council is aware that a planning application has been submitted to Tendring District Council proposing the development of land at Mistley Place Park, New Road, Mistley CO11 1ER, to provide Retirement Living accommodation. The proposal comprises 42 apartments and 11 bungalows with associated amenity and landscaping, landscaping improvements to Mistley Place Park, new access to New Road, and associated works and has been submitted by McCarthy & Stone, a developer and manager of retirement communities in the UK.

The Parish Council will be consulted on the application by Tendring District Council (TDC). The Parish Council is to carry out a public consultation on the application to ensure that the views and opinions of the parishioners of Mistley are represented in its response to TDC. To this end an open Parish Council meeting will take place, to facilitate a response that has been guided by the parishioners of Mistley. **The open Parish Council meeting will take place on Wednesday 26<sup>th</sup> May at 1930hrs at Mistley Village Hall, Shrubland Road, Mistley, CO11 1HS. Please note that this meeting replaces the virtual meeting that was previously scheduled to take place on Tuesday 11<sup>th</sup> May at 1930hrs.** Due to restrictions currently in place as a result of the COVID-19 pandemic, the capacity of the Village Hall is severely limited to 50 people and we regret that admission to the Hall will be on a first come, first served basis.

Residents are also welcome to post their views on Mistley Parish Council's Facebook page, or email the Parish Clerk, Susan Clements at [mistleyparishclerk@gmail.com](mailto:mistleyparishclerk@gmail.com).

In the meantime parishioners are welcome to view the application on the planning portal on via TDC's website. The link is: <https://idox.tendringdc.gov.uk/online-applications/applicationDetails.do?keyVal=QQDKPCQB0KP00&activeTab=summary>

This link also allows comments to be made on the application. Please note however, that you will need to register first with TDC (this can also be done on the planning portal).
